1. It was learned on 21 June 1950 that the VP school in Kuechensee near Storkow (N 53/V 22) was to move to the building of the Storkow Landratsamt (county administration). * A VP glider school is to be established in Kuechensee. A disassembled airplane to be used for instruction had already arrived.
 2. A VP Bereitschaft and a school for junior police was located in the barracks on Douchestrasse and Treptower Park on 22 June 1950. ** The students were trained with machine guns and instructed in the maintenance of weapons. Students who graduate from the course with the rating of "good" attend a course at the aviation school in Kolberg (N 53/V 12).
- * Comment: The 5th Brandenburg Bereitschaft is located in Kuechensee. The transfer of a police unit of 1,000 men into a relatively small building like the Landratsamt in Storkow is unlikely.
- ** Comment: The 1st VP Bereitschaft, engaged in infantry and engineer training, is located in Berlin-Treptow.
